Permit signs for Garage Sales are issued by the City of Pearland (they do not issue Estate Sale signs). Signs cannot be altered on city street placement. Signs placed inside the BellaVita gates should be adjusted to read **'Estate Sale'**.

Minimal number of signs with arrows directing to the sale address are allowed. Absolutely no banner/flags or other display is allowed.

I, _____, understand that I cannot post any gate code on any social media outlet or signs on the street. I also understand that all signs must say Estate Sale inside the BellaVita property boundaries.
