

May Grounds Meeting 2015

Members Present

Sybil Hewitt

Donna Fererra

Becky Spedden

Carol Barber (board liason)

Diane Nicholes

Absent

Carolyn Beeson

Dorothy Darden

1. Tree trimming estimate from Bay Area Trees was approved and Sybil and Diane will monitor the project.
2. The Veteran's Club does not want the responsibility of maintaining the Memorial Garden. The original verbal agreement was that the HOA would pay for the water and the mowing of the grounds. Based on the fact that grounds was not overseeing the irrigation (the Veterans have the key to the irrigation system) and the mowing is done between Rusticscapes and the MUDD board, the grounds committee does not feel that we have the authority to take on this project without the board's approval and a budget for this item. Item will be referred back to the Veterans.
3. Discussed the quantity of invoices for the neighborhood irrigation system.
4. Committee members discussed 2 problems referred by residents. Becky will look into the situation and resolve.
5. Rusticscapes schedule and quality of work was discussed and Diane will bring the matters to Rusticscapes.
