

May Grounds Meeting 2016

Members Present

1. Palm trees on Scarsdale have 2 types of diseases; Villa Masters is having them tested. It is a very contagious stain and may infect the palms in Bella Vita
2. Article turned in for the BUZZ
3. New Rusticscapes foreman: Ricardo
4. Timer is set to water the Jasmine in parking lot every morning at 1am before the regular watering time
5. Ron Gerlac sent an email to the board explaining the sequence of events concerning the golf course and it was accurate
6. Estimate gotten by FSR was for \$16,700 and another one was probably going to come in at around \$13,500. This will be given to the board for their decision.
7. I am working with Nancy to keep track of the gutter situation. Nancy will be in charge of making sure that the homeowner's gutters are only cleaned 1 time a year.
8. All articles that are to be published to the homeowners need to be passed by Becky Spedden before being published.
9. Update by Diane on projects
10. Discuss tone of article that will inform homeowners of the fact that the Rusticscapes contract only calls for the trimming of bushes 4 times a year. Rusticscapes is trimming the bushes 1 time a month during the growing season as a courtesy at this point.
