1. Update on contract bids for palm trees: Contract committee awarded the contract to The Urban Foresters Corporation. The bid is for \$2,857.80.
2. Survey: Trees in common areas to be surveyed by Sybil and Donna for trimming and cutting.
3. Dorothy Darden has resigned from the grounds committee.
4. Projects for review for 2017:
  - a. Front entrance
  - b. Other palm trees
  - c. Fertilize palm trees
  - d. Palm Island
  - e. Trim common area trees around neighborhood
5. Reviewed budget. On track for year. Waiting on FSR to complete recoding of some invoices.
6. Rusticscapes will charge \$250 for a new controller for the irrigation around the lake. Since Facilities/Clubhouse is in charge of the lake irrigation, they will be contacted for a decision.
7. Pool area project was given the OK to Rusticscapes. Will do project after 1<sup>st</sup> week in October.
8. Rusticscapes will be fertilizing yards at end of September. Fertilizer will be a 15-5-10 mix. Will put an article in newsletter and email concerning this and also for residents to look for signage to water. Submit article for newsletter on irrigating a max of 2 times a week and no watering at night to minimize brown patch
9. Rusticscapes has been told to start treating for brown spot. They will start next week.
10. The Vets memorial tree park has several dead or dying trees. Veterans club will be contacted about the dead trees to see what can be done.
