IN LOVING MEMORY

Anne Dye Valdez

MARCH 31, 1939 – JANUARY 22, 2024

Celebration of Life
Club BellaVita
Saturday, March 23rd, 1- 3 PM

Anne's life

Georgie "Anne" Dye Valdez, aged 84, passed away unexpectedly on January 22, 2024 surrounded by her three daughters. She was a well loved daughter, sister, wife, mother, aunt, grandmother, great grandmother, and always a friend.

She was born on March 31, 1939 in Cincinnati, Ohio to her parents Georgie and Forrest Graham. Anne also lived in Hastings, NB, Johnson City, TN, Baton Rouge, LA, and Long Beach, CA. Even though Anne would tell you she was a native Texan, she didn't move to Texas until 1965 with her first husband and three children Cathy, Ginger, and Patty. She was planning to move to Florida in February to be closer to her children and grandchildren.

Anne led an adventurous life. While raising her daughters, she was a Brownie and Girl Scout leader. Once her children were all in high school, she eventually bought a business called The Dog Wash where she groomed and boarded pets. Later in life, she worked at both a real estate and insurance agency. Upon retiring, Anne enjoyed volunteering at the Houston Museum of Natural Science.

In 1984 Anne met Roger Valdez while operating The Dog Wash. In 2004, Anne and Roger moved to BellaVita and married in 2008. While living in BellaVita they met many amazing friends, which they spoke of often and considered family. Anne and Roger enjoyed fishing, RVing, and golf cart rides through the neighborhood. She also loved to play Canasta and Bridge. The family would like to thank her many friends at BellaVita for keeping her company and entertained after Roger's passing.

Please join the family in a Celebration of Life taking place at Club BellaVita on Saturday, March 23rd from 1-3 PM.

BellaVita Sewing Group

Members have been working to make pillowcases and children's quilts to **Joseph's Warriors!**

We were introduced to Joseph's Warriors through one of our members, Sandra Haydon. The project was started in memory of Sandra's grandson, Joseph.

Sandra and her daughter began making pillowcases for hospitalized children in memory of Joseph. The sewing group members began to help as we could.

The adorable child's quilt shown here is one of many made by the sewing group – this one was made by Sewing Group member Maylene Moore.

Sandra currently has approximately 50 pillowcases and 12 quilts ready to go to the hospital.

www.josephswarriors.com

The mission/purpose of Joseph's Warriors is to promote childhood cancer awareness, to promote childhood cancer research, and to raise funds to be distributed as financial assistance to families of children undergoing cancer treatment in the Gulf Coast area.

Volunteer of the Quarter

Congratulation

Cyndi Purtee

The Awards Committee would like to announce Q1 2024 Volunteer of the Quarter, Cyndi Purtee. The Volunteer of the Quarter is a program to publicly recognize the efforts of an individual for BV community service.

Cyndi and Dave Purtee moved to Bellavita in December 2018. Cyndi and Dave only lived less than a mile from Bellavita. While walking her dog on the other side of Clear Creek, Cyndi would often look over at the beautiful trees on the Bellavita side of the creek and think about the wonderful treasure this property was. While attending the Mistletoe Market in October 2018, they drove around the neighborhood and found the perfect house that backs up to the preserve. It seemed the perfect time to move since their four children had moved away. Before retiring, Cyndi worked as an insurance underwriter.

If you drive past their house on North Riviera, you might see a huge painted Cow named "Keep on Moo-ving". This is one of the cows from the Cow Parade. They purchased this beautiful Cow at a fund raiser for cancer patients in 2002. Keep on Moo-ving is decorated with the roads and highways around Houston. Sometimes behind their gate on a sunny day you can spot the Cow in the front yard or sometimes he gets moved to the backyard and peeks through the gate.

Cyndi joined the Nature Reserve Committee in 2020 and served for 3 yrs. She has established the Saturday in the Woods Walk in the Nature Reserve at BV. Her motto is "It's a beautiful day for a walk in the woods." She feels lucky and blessed to offer the walk in the woods to anyone who wants to explore this BV treasure but is too afraid to go by themselves. There are 5 different trails that are well marked and the beautiful trees offer a canopy that is protection from the weather. These trails have 3 beaver dams, a must see. Cyndi meets anyone who wants a Saturday morning adventure at the Ameno street platform on Saturday mornings at 9am. Come join in the fun and adore the natural beauty of Bellavita.

Cyndi volunteers on the Flag Team as well as she stays in shape for this by participating in the BV Fitness class at the clubhouse. Cyndi has hosted the Nature Reserve table at the Bellaview. She has always promoted the Nature Reserve, even looking out to see what she can do to make the volunteers tasks easier. For example, when I put a list of yard tools on the FB Grapevine to giveaway since I was moving, she called to ask if she could pick up for use in the Reserve. She came by and picked up so they were put to good use. In 2021, Cyndi and Dave received the Shining Star Award for keeping the spirits up in Bellavita during the 2020 Covid shut down. They made the decision to paint rocks and hide them along the lake walking trail. Residents had so much fun finding painted rocks, re-hiding them, and taking photos with them. The rocks even ended up in the neighborhoods since not all walk the lake. What fun they created for our community playing hide and seek with painted rocks. Was such a creative idea to keep smiles on many faces during such a stressful time.

Cyndi and Dave enjoy traveling especially cruising. Often you will see her on her bike riding around the neighborhood. You may have seen them on their bicycle built for two. Their love of bikes might have something to do with Dave's Bike Shop in Pearland for many years.

Thank you Cyndi Purtee for all your hard work. Please congratulate Cyndi on her outstanding contributions and recognition as Volunteer of the Quarter.

Sandra Bornstein, Awards Committee Chair

DID YOU KNOW?

Your personal gate entry code should not be given to vendors or occasional visitors.

ENTRY CODES open the gate without the resident being contacted for permission to enter. Entry codes are for residents and trusted close friends and family only.

If you give a vendor your entry code, they now have permanent access to get into the community whenever they want.

This creates a less secure environment for the community. Vendors and occasional visitors should **ALWAYS** call you for access into the community. You may provide your Directory Code for your vendors and occasional visitors for a simpler way to call you to request access to the community.

If you do not know your [Directory Code](#), please come up to the clubhouse to obtain it.

Clubhouse Patrons

DID YOU KNOW?

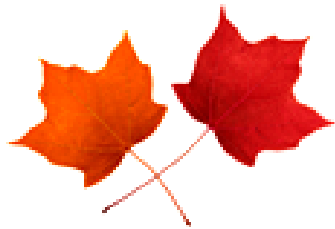

For safety reasons and accessibility to our Clubhouse and Annex Building, all bicycles/tricycles/scooters, that are self-powered or motorized **must** be parked on, or around the bicycle racks that are provided.

Vehicles in violation will be subject to removal.

BellaVita Clubhouse Committee

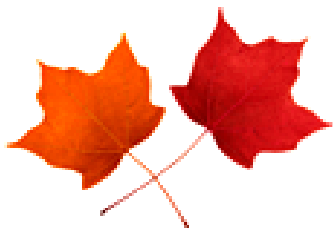

Both the City of Pearland and BellaVita require approval to hold an estate sale. Anyone planning to hold an Estate Sale in BellaVita needs to fill out the necessary paper work at the clubhouse prior to the sale.

Leaves are falling in abundance this time of year!

If you blow leaves from your back yard or choose to remove leaves between RusticScapes visits, please make sure you are bagging your leaves and not blowing them into neighboring yards or into the storm drains. Blowing leaves or any debris into storm drains can clog the community's drainage system.

BellaVita Residents!

The Clubhouse Gym is Now Open 24/7!

A Friendly Message from the Grounds Committee

The Maintenance in the common areas in our neighborhood
is supervised by the Grounds Committee.

Before You PLANT, REMOVE, or MOVE ANY ITEMS,
please contact a member of the Grounds Committee

1. Cucumbers contain most of the vitamins you need every day, just one cucumber contains Vitamin B1, Vitamin B2, Vitamin B3, Vitamin B5, Vitamin B6, Folic Acid, Vitamin C, Calcium, Iron, Magnesium, Phosphorus, Potassium and Zinc.
2. Feeling tired in the afternoon, put down the caffeinated soda and pick up a cucumber. Cucumbers are a good source of B vitamins and Carbohydrates that can provide that quick pick-me-up that can last for hours.
3. Tired of your bathroom mirror fogging up after a shower? Try rubbing a cucumber slice along the mirror, it will eliminate the fog and provide a soothing, spa-like fragrance.
4. Are grubs and slugs ruining your planting beds? Place a few slices in a small pie tin and your garden will be free of pests all season long. The chemicals in the cucumber react with the aluminum to give off a scent undetectable to humans but drive garden pests crazy and make them flee the area.
5. Looking for a fast and easy way to remove cellulite before going out or to the pool? Try rubbing a slice or two of cucumbers along your problem area for a few minutes, the phytochemicals in the cucumber cause the collagen in your skin to tighten, firming up the outer layer and reducing the visibility of cellulite. Works great on wrinkles too!!!
6. Want to avoid a hangover or terrible headache? Eat a few cucumber slices before going to bed and wake up refreshed and headache free. Cucumbers contain enough sugar, B vitamins and electrolytes to replenish essential nutrients the body lost, keeping everything in equilibrium, avoiding both a hangover and headache!!
7. Looking to fight off that afternoon or evening snacking binge? Cucumbers have been used for centuries and often used by European trappers, traders and explorers for quick meals to thwart off starvation.
8. Have an important meeting or job interview and you realize that you don't have enough time to polish your shoes? Rub a freshly cut cucumber over the shoe, its chemicals will provide a quick and durable shine that not only looks great but also repels water.
9. Out of WD 40 and need to fix a squeaky hinge? Take a cucumber slice and rub it along the problematic hinge, and voila, the squeak is gone!
10. Stressed out and don't have time for massage, facial or visit to the spa? Cut up an entire cucumber and place it in a boiling pot of water, the chemicals and nutrients from the cucumber will react with the boiling water and be released in the steam, creating a soothing, relaxing aroma that has been shown to reduce stress in new mothers and college students during final exams.
11. Just finish a business lunch and realize you don't have gum or mints? Take a slice of cucumber and press it to the roof of your mouth with your tongue for 30 seconds to eliminate bad breath, the phytochemicals will kill the bacteria in your mouth responsible for causing bad breath.
12. Looking for a 'green' way to clean your taps, sinks or stainless steel? Take a slice of cucumber and rub it on the surface you want to clean, not only will it remove years of tarnish and bring back the shine, but it won't leave streaks and won't harm your fingers or fingernails while you clean.
13. Using a pen and made a mistake? Take the outside of the cucumber and slowly use it to erase the pen writing, also works great on crayons and markers that the kids have used to decorate the walls!!

Doors & Paint

Your HOA dues include having your front door maintained every 2 yrs. as needed. This means the door will be lightly sanded and a coat of spar varnish will be applied. A new weather strip on the bottom of the door is included, if needed. This will help to protect your door. However, if you postpone or do not request having your door serviced and it requires having your door refinished, the HOA will only cover a portion of the cost to refinish and replace the weather strip. The HOA will pay a maximum of \$210.00 (the cost to the HOA for regular maintenance plus a 2nd coat of varnish). You will be responsible for the remaining cost of the door service. Please note if there is a homeowner cost, it will be more than previous years as well. It is your responsibility to call and have it serviced every 2 years.

Please come by the Clubhouse or call at 281-464-3150 to be put on the list for 2024. The doors are serviced March through September.
