IN LOVING MEMORY

*Anne Dye Valdez*

MARCH 31, 1939 - JANUARY 22, 2024

Celebration of Life

Club BellaVita

Saturday, March 23rd, 1- 3 PM

*Anne's life*

Georgie "Anne" Dye Valdez, aged 84, passed away unexpectedly on January 22, 2024 surrounded by her three daughters. She was a well loved daughter, sister, wife, mother, aunt, grandmother, great grandmother, and always a friend.

She was born on March 31, 1939 in Cincinnati, Ohio to her parents Georgie and Forrest Graham. Anne also lived in Hastings, NB, Johnson City, TN, Baton Rouge, LA, and Long Beach, CA. Even though Anne would tell you she was a native Texan, she didn't move to Texas until 1965 with her first husband and three children Cathy, Ginger, and Patty. She was planning to move to Florida in February to be closer to her children and grandchildren.

Anne led an adventurous life. While raising her daughters, she was a Brownie and Girl Scout leader. Once her children were all in high school, she eventually bought a business called The Dog Wash where she groomed and boarded pets. Later in life, she worked at both a real estate and insurance agency. Upon retiring, Anne enjoyed volunteering at the Houston Museum of Natural Science.

In 1984 Anne met Roger Valdez while operating The Dog Wash. In 2004, Anne and Roger moved to BellaVita and married in 2008. While living in BellaVita they met many amazing friends, which they spoke of often and considered family. Anne and Roger enjoyed fishing, RVing, and golf cart rides through the neighborhood. She also loved to play Canasta and Bridge. The family would like to thank her many friends at BellaVita for keeping her company and entertained after Roger's passing.

Please join the family in a Celebration of Life taking place at Club BellaVita on Saturday, March 23rd from 1-3 PM.

If you would like to attend this memorial reception, please visit the front desk to sign up.  
Starting Monday, March 11th, 2024 at 11 am

# Volunteer of the Quarter

## Congratulation

### Cyndi Purtee

The Awards Committee would like to announce Q1 2024 Volunteer of the Quarter, Cyndi Purtee. The Volunteer of the Quarter is a program to publicly recognize the efforts of an individual for BV community service.

Cyndi and Dave Purtee moved to Bellavita in December 2018. Cyndi and Dave only lived less than a mile from Bellavita. While walking her dog on the other side of Clear Creek, Cyndi would often look over at the beautiful trees on the Bellavita side of the creek and think about the wonderful treasure this property was. While attending the Mistletoe Market in October 2018, they drove around the neighborhood and found the perfect house that backs up to the preserve. It seemed the perfect time to move since their four children had moved away. Before retiring, Cyndi worked as an insurance underwriter.

If you drive past their house on North Riviera, you might see a huge painted Cow named "Keep on Moo-ving". This is one of the cows from the Cow Parade. They purchased this beautiful Cow at a fund raiser for cancer patients in 2002. Keep on Moo-ving is decorated with the roads and highways around Houston. Sometimes behind their gate on a sunny day you can spot the Cow in the front yard or sometimes he gets moved to the backyard and peeks through the gate.

Cyndi joined the Nature Reserve Committee in 2020 and served for 3 yrs. She has established the Saturday in the Woods Walk in the Nature Reserve at BV. Her motto is "It's a beautiful day for a walk in the woods." She feels lucky and blessed to offer the walk in the woods to anyone who wants to explore this BV treasure but is too afraid to go by themselves. There are 5 different trails that are well marked and the beautiful trees offer a canopy that is protection from the weather. These trails have 3 beaver dams, a must see. Cyndi meets anyone who wants a Saturday morning adventure at the Ameno street platform on Saturday mornings at 9am. Come join in the fun and adore the natural beauty of Bellavita.

Cyndi volunteers on the Flag Team as well as she stays in shape for this by participating in the BV Fitness class at the clubhouse. Cyndi has hosted the Nature Reserve table at the Bellaview. She has always promoted the Nature Reserve, even looking out to see what she can do to make the volunteers tasks easier. For example, when I put a list of yard tools on the FB Grapevine to giveaway since I was moving, she called to ask if she could pick up for use in the Reserve. She came by and picked up so they were put to good use. In 2021, Cyndi and Dave received the Shining Star Award for keeping the spirits up in Bellavita during the 2020 Covid shut down. They made the decision to paint rocks and hide them along the lake walking trail. Residents had so much fun finding painted rocks, re-hiding them, and taking photos with them. The rocks even ended up in the neighborhoods since not all walk the lake. What fun they created for our community playing hide and seek with painted rocks. Was such a creative idea to keep smiles on many faces during such a stressful time.

Cyndi and Dave enjoy traveling especially cruising. Often you will see her on her bike riding around the neighborhood. You may have seen them on their bicycle built for two. Their love of bikes might have something to do with Dave's Bike Shop in Pearland for many years.

Thank you Cyndi Purtee for all your hard work. Please congratulate Cyndi on her outstanding contributions and recognition as Volunteer of the Quarter.

Sandra Bornstein, Awards Committee Chair

# BellaVita Sewing Group

## Hammocks For Cats

For the second year, the BellaVita Sewing Group took on a project for the *Three Little Pitties Rescue*! This group's mission is to transport cats without current homes - to areas of the country where there is a shortage of cats and a long list of people who would like to adopt a cat that needs a family!

For example, many are transported to the Pacific Northwest or the Northeast. The cats are not transported until the new family has selected their cat and committed to adopting it!

The BellaVita Sewing Group helped by making "cat hammocks" so the animals can travel across country in comfort! Last year, 824 cats were transported to their new homes using the hammocks we made.

We took on the task, created an assembly line, and finished 57 hammocks in approximately two hours! Hope the cats enjoy the hammocks as much as we enjoyed making them!

# DID YOU KNOW?

**Your personal gate entry code should not be given to vendors or occasional visitors.**

**ENTRY CODES** open the gate without the resident being contacted for permission to enter. Entry codes are for residents and trusted close friends and family only.

**If you give a vendor your entry code, they now have permanent access to get into the community whenever they want.**

This creates a less secure environment for the community. Vendors and occasional visitors should **ALWAYS** call you for access into the community. You may provide your Directory Code for your vendors and occasional visitors for a simpler way to call you to request access to the community.

**The following MENU options are on the gate pad:**

**PHONE CALL and ENTRY CODE (PIN)**

When **PHONE CALL** is selected, the following menu options are available:

**FIND A NAME**— To search for the name of the resident. Once the name is found, the visitor will select the name and it will call the resident. **The resident will press 9 on their phone to allow entry.** \*\*If you have an iPhone, you may need to hold down the 9 key or press it a few times quickly.

**I HAVE A DIRECTORY CODE**— If you have a Directory Code, once the 4-digit code is entered, the resident will be called. **The resident will press 9 on their phone to allow entry.** \*\*If you have an iPhone, you may need to hold down the 9 key or press it a few times quickly.

**MAIN OFFICE**— If you do not have a code, the code you were given is not working, or access has been denied, the call will be sent to the front desk. The front desk will provide entry during clubhouse hours. *Please make sure your visitor/vendor has the address to where they are going. BV Staff will NOT let them in without an address.*

When **ENTRY CODE** is selected, the gate opens after entering the 4-digit **ACCESS CODE** and **ENTER**.

If you don't know your Directory Code, please contact the clubhouse and we will be happy to provide it.

## Doors & Paint

Your HOA dues include having your front door maintained every 2 yrs. as needed. This means the door will be lightly sanded and a coat of spar varnish will be applied. A new weather strip on the bottom of the door is included, if needed. This will help to protect your door. However, if you postpone or do not request having your door serviced and it requires having your door refinished, the HOA will only cover a portion of the cost to refinish and replace the weather strip. The HOA will pay a maximum of \$210.00 (the cost to the HOA for regular maintenance plus a 2nd coat of varnish). You will be responsible for the remaining cost of the door service. Please note if there is a homeowner cost, it will be more than previous years as well. It is your responsibility to call and have it serviced every 2 years.

**Please come by the Clubhouse or call at 281-464-3150 to be put on the list for 2024.**

**The doors are serviced March through September.**
