Your HOA dues include having your front door maintained every 2 yrs. This means the door will be lightly sanded and a coat of spar varnish will be applied. A new weather strip on the bottom of the door is included, if needed. This will help to protect your door. However, if you postpone or do not request having your door serviced and it requires having your door refinished, the HOA will only cover a portion of the cost to refinish and replace the weather strip. The HOA will pay a maximum of \$210.00 (the cost to the HOA for regular maintenance plus a 2nd coat of varnish). You will be responsible for the remaining cost of the door service. Please note if there is a homeowner cost it will have gone up from previous years as well. It is your responsibility to call and have it serviced every 2 years. Please call or come by the Clubhouse at 281-464-3150 before October and get on the schedule. The doors are serviced March through October.
