Attention Readers
Book Review Group

Meeting June 10, 1 pm Annex

Reading a good book is always rewarding. Discussing it with someone who has also read it makes it even more enjoyable.

This will be a meeting to just get together to plan for the rest of the year. We welcome new members so please come. We'll talk about books we're read during the shutdown as well as suggestions for some new reads. From these suggestions we will choose out book-of-the-month for July as well as have ideas for the rest of the year

For information:

Are you having Comcast issues? Do you have questions regarding Comcast and what BellaVita's contract entails? Does your phone go out occasionally? Does your internet have the right speed? Do you have the right equipment?

Some residents have reached out to Board members and the contract negotiators regarding letters and emails that come from Comcast regarding existing service and service "add-on's". Please be aware that the only services provided by BV are the following: Cable: Digital Starter Package with service to 4 outlets and the HD Digital Adapter. The Internet package includes: Performance Internet with 2 outlets and the Gateway Modem. Anything outside of this is likely an add on which means that the homeowner is responsible for. For any questions regarding Comcast please fill out the following form and turn in to the clubhouse reception desk.

Please note: The Clubhouse does not have any special relationship with any Comcast/Xfinity [community service provider] that will expedite the resolution of issues. Every effort should be made by the homeowner to resolve any service issue with Comcast/Xfinity [a provider]. We will try to assist when all other remedies have been exhausted.

PUTTING THE PIECES TOGETHER

Still MORE news about the BV Library **PUZZLE PROJECT!!!**
 Yep! Never a dull moment!
 The BV Library puzzle collection is **getting a make-over.**

EVERY puzzle has been pulled from the shelves and *reviewed*.
 Any that were found to have missing pieces were **NOT** returned to the shelves.

All others are marked on the box that they are "in tact" with a **GREEN circular scribble** on or about the upper right-hand corner of the box.

AND . . .

. . . all of the puzzle pieces have been placed in a **zip-lock bag** within the box.
 Boxes are **NOT taped shut!** Some larger boxes are secured with a rubber band just so that they do not fall open on the shelves.

So what? You ask. So . . . YOU, our BV Puzzlers, are being asked to **please RETURN the puzzles just as you found them:**

- With all the pieces in the **ziplocked bag** ✓
- With **NO TAPE** on the box ✓
- With a **rubber band** on the box if it had one when you selected it ✓

BUT! IF you find that your **puzzle IS missing a piece** after all, please **attach a note** to the OUTSIDE of the box that there is a piece (or pieces) missing.

That puzzle will NOT go back on the shelves!

OK, so that's PART of the news. But wait! **There's more!**

Of course, because there are always puzzles out in your homes, **we cannot know exactly how MANY puzzles we have** but, we can make a pretty good guess. So? What is YOUR guess? Big hint here: There are a LOT of puzzles that are waiting for their turn to be on the shelves. How many? Ah! THAT would need to go into your guess! Leave your guess (with your name) in the bowl at the sign-in desk!

What is the PRIZE for guessing the right number of puzzles???

The satisfaction of knowing that YOU are a dedicated, BV Puzzler!
Thanks! Happy Puzzling!

Hurricane Preparedness

A tropical cyclone is a large low pressure system that derives its energy from warm ocean waters of the tropics. It is characterized by a closed counterclockwise circulation in the Northern Hemisphere and thunderstorms organized near the center of circulation. The hurricane, the strongest classification of a tropical cyclone, typically has an eye at the center with a ring of thunderstorms around it, and spiral bands of thunderstorms extending outward from the center.

In the North Atlantic, the tropical cyclone is defined as a tropical depression, tropical storm or hurricane, depending on the strength of the maximum winds in the storm. Every tropical cyclone brings some combination of the following hazards: damaging winds, storm surge flooding, tornadoes, flooding from heavy rainfall, high surf and rip currents.

TROPICAL DEPRESSION:

A tropical cyclone with maximum sustained winds of 38 mph or less.

TROPICAL STORM:

A tropical cyclone with maximum sustained winds between 39 and 73 mph.

HURRICANE:

An intense tropical cyclone with sustained winds of 74 mph or higher.

HURRICANE WATCH/WARNING:

Hurricane force winds are possible/expected within the watch/warning area within 48/36 hours.

STORM SURGE WATCH:

The possibility of life-threatening inundation from rising water moving inland from the shoreline (storm surge flooding) somewhere within the specified area, generally within 48 hours.

TROPICAL STORM WATCH/WARNING:

Tropical Storm force winds are possible/expected in the watch/warning area generally within 48/36 hours.

STORM SURGE WARNING:

The danger of life-threatening inundation from rising water moving inland from the shoreline (storm surge flooding) somewhere within the specified area, generally within 36 hours.

SAFFIR-SIMPSON HURRICANE WIND SCALE

Category	Sustained Wind Speed (mph)	Damage
One	74 to 95	Dangerous, some damage
Two	96 to 110	Extremely dangerous, extensive damage
Three	111 to 129	Devastating damage
Four	130 to 156	Catastrophic damage
Five	157 or higher	Catastrophic damage

Your HOA dues includes having your front door maintained every 2 yrs. This means the door will be lightly sanded and a coat of spar varnish will be applied. A new weather strip on the bottom of the door is included, if needed. This will help to protect your door. However, if you postpone or do not request having your door serviced and it requires having your door refinished, the HOA will only cover a portion of the cost to refinish and replace the weather strip. The HOA will pay a maximum of \$180 (the cost to the HOA for regular maintenance plus a 2nd coat of varnish). You will be responsible for the remaining cost of the door service. It is your responsibility to call and have it serviced every 2 years. Please call Jerry Marshburn at 281-998-7709 or come by or contact the Clubhouse at 281-464-3150 before October and get on the schedule. The doors are serviced March through October.
