TO LESLIE

The Friday Night Lite Movie is TO LESLIE. This is the critically acclaimed movie that garnered Andrea Riseborough an Academy Award Nomination. The story involves a West Texas woman who wins \$190,000 in the lottery and how it affects her life.

Movie starts promptly at 7:00.

Dear Residents,

This is just a friendly reminder the assessments for 2023 are \$282.00 per month. A letter was sent out in November 2022 with a copy of the 2023 budget advising all homeowners of the increase. If you have ACH with Inframark, no change is needed on your part. There are those that write checks, or have checks sent from the bank to Inframark, with the 2022 assessment rate. Please update your records at your earliest convenience.

Thank you,

BellaVita Board of Directors

It's time for "Cabaret" choir practice! The ballroom is scheduled as below, from 7-9 pm and the music is here, so please mark your calendars & let's have some fun!

June - 5, 19
June - 23 (dress rehearsal)
June 24 (concert)

The June selection for the Bella Vita book group will be ***Simply Lies***, the latest thriller by David Baldacci. A single mother is not only a murder suspect, she is also on the run from a vengeful ex and the mob. Join us for the discussion of this fast-paced mystery on Thursday, June 8, in the Annex.

We've also picked the book for July since its a long one--***Great Circle*** is a fictionalized biography of one of the first female pilots, Marian Graves, who attempted to circumnavigate the globe. This fascinating history brings to life the story of a woman determined to learn to fly against all odds. The best-seller will be discussed at the July meeting. Join us!

The Awards Committee would like to announce
**Q2 2023 Volunteer of the Quarter,
Joe Biard.**

The Volunteer of the Quarter is a program to publicly recognize the efforts of an individual for BV community service.

Joe and Sue Biard moved to Bellavita in 2015, from South Shore Harbor. Their children moved on and they were looking to downsize and get involved in a good community. Before coming to Bellavita, Sue and Joe lived in 18 different places as Joe's work took them many places. They happened to visit Bellavita on the day of the Bella View (showcase of BV activities and clubs) and were able to see all the various activities that our great community has to offer.

In 2022 the Men's Club assumed the flag operation from the Veterans group. Joe took the command of this important project as Flag Team Chairman. This is a major undertaking with over 500 homes (approx. 80% of homes) including 750 flags, 6 flag teams and 6 times per year (all BV volunteers). As well as coordinating flag teams, Joe coordinates sending out flag applications and creating spreadsheets for flag teams, reviewing flags for replacement (approximately 300-400 per year) and he serves as a member on a flag team. There has been a push to get more residents to participate in purchasing flags and participating on the flag teams.

Joe retired after 48 years in Engineering Construction. He has brought his expertise to Bellavita by serving as a member on the HOA Facilities Committee for several years. In 2022, he took on a high priority assignment. He heads up the HOA House Painting and Door Refinishing reoccurring programs. This program rotation occurs every 9 years for house painting and every 2 years for door refinishing. However, this is an annual project as homes come due for painting and door refinishing. He has created spreadsheets for the work and setup communications with the homeowners and front desk to ensure BV homes are kept up to BV high standards.

Just to add a few more important volunteer activities, Joe is an active participant in the Men's Club helping cook, set up, take down, and prepare for many Bellavita events including the TEC, Belles, and New Year's Eve Committee. In his spare time, many would wonder when he has some; he enjoys hunting and his Saturday golf group. With Sue so involved in Bellavita also, as President of TEC, they seem to find some time for traveling. They are looking forward to traveling to Costa Rica with the Bellavita Travel group.

Joe has done an incredible job in all his volunteer efforts. Thank you Joe Biard for all your hard work. Please congratulate Joe on his outstanding contributions and recognition as Volunteer of the Quarter.

The 4th of July is Just Around the Corner!

It's time to celebrate our country! The BellaVita Sewing Group has created a beautiful patriotic quilt to do just that!

The quilt shown below will be raffled off on the 4th of July! This patriotic quilt was made by Janice Roberts with assistance from two of our top quilters Ronnie Stimson and Rita Hedges!

Be sure to purchase your tickets so you have a chance to win! Tickets will be available at many of the club functions. The money we raise through the raffle supports sewing group projects throughout the year.

A single ticket is only \$1.00 - or increase your chances of winning – buy 12 tickets for \$10.00 or 6 tickets for \$5.00! Good Luck!

Sewing Group Update

BellaVita Sewing Group members have been busy! We've been working hard in support of our Joseph Warriors project as well as completing piles of stuffed bears, dinosaurs, and delightful stuffed puppies for children in the hospital!

We've made an amazing number of small quilts and pillowcases! Members worked at home and brought in stacks of finished items!

Below are photos of the sewing group working this past Wednesday to complete even more! The first photo shows a few of the completed pillowcases and the others show some of the hospital comfort toys we make for children being treated in the emergency room.

Pearland Animal Shelter

The Belles will be sponsoring a collection for Pearland Animal Shelter during the month of May and June. Our BellaVita residents have always been very generous for this worthy cause and we hope this year will be no exception.

<u>They especially need:</u>	<u>Also need:</u>	
Kitten and Puppy food	Leashes	Towels
Dog and Cat food	Dog collars	Dog beds
The cheap non-clumping clay cat litter	Animal shampoo	Dog & Cat treats
	Aluminum Food Bowls	Toys

There will be collection boxes by the front desk and a list of items that the Animal Shelter would really appreciate. The Animal Shelter may also have Bunnies, Birds and other species at any given time.

Monetary donations are also appreciated, please make checks payable to: "The BellaVita Belles" and write Pearland Animal Shelter in the memo section of the check. At the end of the collection, the Belles will write a check for all of the monetary donations to the Animal Shelter. We will deliver all of the donations to the Animal Shelter in July.

We thank you for your participation and look forward to giving our local Animal Shelter a helping hand, as we have done for the past several years. Every donation is greatly appreciated.

Thirteen Fun Toilet Paper Facts

The first recorded use of toilet paper was in 6th Century China. By the 14th Century, the Chinese government was mass-producing it. It wasn't until 1935 that a manufacturer was able to promise Splinter-Free Toilet Paper.

The first toilet paper was developed in England in 1880 and sold not on a roll but as individual sheets in a box. The average roll now has 333 sheets.

The average person spends three years of their life on the toilet.

Historically, what you use to wipe depended on your income level. Wealthy Romans used wool soaked in rose water and French royalty used lace. Other things that were used before toilet paper include: Hay, corn cobs, sticks, stones, sand, moss, hemp, wool, husks, fruit peels, ferns, sponges, seashells, knotted ropes, and broken pottery (ouch!).

70-75% of the world still doesn't use toilet paper because it is too expensive or there is not sufficient plumbing.

On the International Space Station, they still use regular toilet paper, but it has to be sealed in special containers and Compressed.

In 1973 Johnny Carson caused a toilet paper shortage. He said as a joke that there was a shortage, which there wasn't, until everyone believed him and ran out to buy up the supply. It took three weeks for some stores to get more stock.

The most expensive toilet paper in the world is from Portuguese brand Renova. Renova is three-ply, perfumed, costs \$3 per roll and comes in several colors including black, red, blue and green. Beyonce uses only red Renova toilet paper. Kris Jenner uses only the black Renova toilet paper.

In a recent survey when asked what necessity they would bring to a desert island, 49% of people said toilet paper before food.

10. Queen Elizabeth II wiped her royal bottom with silk handkerchiefs

11. It takes about 384 trees to make the toilet paper that one man uses within his lifetime.

12. The average person uses 100 rolls of toilet paper annually (over 20,000 sheets).

13. The daily production of toilet paper is about 83,048,116 rolls per day.

Your HOA dues include having your front door maintained every 2 yrs. as needed. This means the door will be lightly sanded and a coat of spar varnish will be applied. A new weather strip on the bottom of the door is included, if needed. This will help to protect your door. However, if you postpone or do not request having your door serviced and it requires having your door refinished, the HOA will only cover a portion of the cost to refinish and replace the weather strip. The HOA will pay a maximum of \$210.00 (the cost to the HOA for regular maintenance plus a 2nd coat of varnish). You will be responsible for the remaining cost of the door service. Please note if there is a homeowner cost it will have gone up from previous years as well. It is your responsibility to call and have it serviced every 2 years. Please call or come by the Clubhouse at 281-464-3150 before October and get on the schedule. The doors are serviced March through October.
