## WORDS FROM THE BOARD

*We will be starting an editorial each week from the Board offering information on the rules and regulations of the community as well as other information on our various guidelines affecting the community. Your ideas and comments would be welcome and should be delivered in writing to Shannon or the front desk staff for consideration. The current Rules and Regulations are always a work in progress and will be reviewed in the coming days by board members and Clubhouse Committee members for updates/additions as may be needed.*

As we all are coming out of the cocoon of the Pandemic that affected our lives during 2020 and the early part of 2021, we are all anxious to resume the good life of living in BellaVita. Our new residents moving in during those darker days have yet to enjoy the Bellavita spirit of living and giving.

Summer is here and families are starting to visit. The amenities at BellaVita are offered for the benefit and enjoyment first for our residents who pay the bills here. Secondly, we offer some limited times for our families and minor grandchildren to use the pool and facilities. The time frames are specific and should be enforced by the honor system. It is only when a limited few ignore or overstep these bounds that we run into dissension. Remember, you as a homeowner are responsible for all your guests, whether adult or minors. The amenities are offered but come with that responsibility for enforcement of the rules that you agreed to live by when you bought your home here in BellaVita.

None of us, as homeowners, whether board members or not, want to be the police of actions of any homeowners and guests. If you are not familiar with the rules, this article will become a part of each weekly newsletter and posted on Townsquare to introduce you to the various rules and regulations of the community. The rules are also posted on the BellaVita website and on Townsquare.

We all moved to BellaVita to enjoy the active 55+ age activities and life. Please help us to continue with the best quality of life in BellaVita that we have come to love.

## **IMPORTANT!!**

It is good practice to solicit several bids before picking a contractor. You could save a lot of money. Another valuable resource is your neighbors. Talk to them first!

Submitted by Architectural Review Committee

The Awards Committee would like to announce Q2 2021 Volunteer of the Quarter, Don Jensen. The Volunteer of the Quarter is a program to publicly recognize the efforts of an individual for BV community service.

Don and his wife Janice moved to BellaVita in 2011 from Iowa. Don and Janice have a saying that they traded Iowa's cold and snowy winters for Houston's hot and stormy summers. Don says, at least you don't have to shovel heat. For the first time in their married life, they are living in a home without a basement or upstairs bedrooms. Most important is that they are living closer to their family.

Don worked for the same Electric Utility Company for almost 45 years. Has great experience from power plant engineer to corporate level management to Vice President to Consultant involved in building of a Power Generating Plant. After this full lifetime career, Don took full retirement. With this experience, he has applied his skills to volunteering at Bellavita for the past 10 yrs.

Don has served on many committees and projects at Bellavita. He has served on the Facilities Committee from 2011 to present. He served as chairman for 4 yrs. of the 10yrs. on this committee. He served as lead for the front door maintenance program from 2011-2015. He developed the recordkeeping process that BV continues to use today.

Don served on the Finance Committee from 2012-2014 and again 2017-2021. During most of this time, he has served tirelessly as Chairman (2018-2021).

Don has participated on many special Tasks Force Projects as well as taking the lead position:

front gates (2012 - 2013)

dumpster enclosure (2014 - 2015)

new LED parking lot lighting system (2016 - 2017)

operation of the swimming pool, spa and fountains (2012 - 2016) and again in (2020)

repairing the Scarsdale Concrete Wall (2021)

As well as all these special projects, Don finds time to participate as a member of the Men's Club and Veterans Group. Also, served on a neighborhood flag team from 2011 to 2016.

As you can tell, Don just doesn't sit around in his retirement. One last but not least important accomplishment to add to this long list, would be what he did during the February 2021 Freeze! Don stepped up to monitor the pool equipment and maintenance during the Freeze since Bellavita had been without a maintenance person for some time. Don worked in the cold weather to help ensure that all of the equipment and the clubhouse were winterized during the freeze. Without his work and oversight, along with Bill Harry, Dallas Smith, Merlin Mohr and Don Smith, there might have been more damage to the equipment and clubhouse. Now, these are called the "fab 5" for their commitment and service especially during the freeze. Don is always ready to help when needed and has a vast source of knowledge regarding the facilities equipment and maintenance. Don has shown he has gone and will continue to go beyond the call of duty to help his community.

When Don is not giving 100% of his time to Bellavita, he enjoys traveling, reading, and genealogy as well as tinkering with repairs around the house.

Don was honored with the 2014 ROSE Award for his outstanding Leadership here at Bellavita. He shows true dedication to our community. He is respected and admired for his outstanding leadership.

Don has done an incredible job in all his volunteer efforts. Thank you Don Jensen for all your hard work. Please congratulate Don on his outstanding contributions and recognition as Volunteer of the Quarter.

Sandra Bornstein — Awards Committee Chair

Are you having Comcast issues? Do you have questions regarding Comcast and what BellaVita's contract entails? Does your phone go out occasionally? Does your internet have the right speed? Do you have the right equipment?

Some residents have reached out to Board members and the contract negotiators regarding letters and emails that come from Comcast regarding existing service and service "add-on's". Please be aware that the only services provided by BV are the following: Cable: Digital Starter Package with service to 4 outlets and the HD Digital Adapter. The Internet package includes: Performance Internet with 2 outlets and the Gateway Modem. Anything outside of this is likely an add on which means that the homeowner is responsible for. For any questions regarding Comcast please fill out the following form and turn in to the clubhouse reception desk.

Please note: The Clubhouse does not have any special relationship with any Comcast/Xfinity [community service provider] that will expedite the resolution of issues. Every effort should be made by the homeowner to resolve any service issue with Comcast/Xfinity [a provider]. We will try to assist when all other remedies have been exhausted.

# Hurricane Preparedness

A tropical cyclone is a large low pressure system that derives its energy from warm ocean waters of the tropics. It is characterized by a closed counterclockwise circulation in the Northern Hemisphere and thunderstorms organized near the center of circulation. The hurricane, the strongest classification of a tropical cyclone, typically has an eye at the center with a ring of thunderstorms around it, and spiral bands of thunderstorms extending outward from the center.

In the North Atlantic, the tropical cyclone is defined as a tropical depression, tropical storm or hurricane, depending on the strength of the maximum winds in the storm. Every tropical cyclone brings some combination of the following hazards: damaging winds, storm surge flooding, tornadoes, flooding from heavy rainfall, high surf and rip currents.

## **TROPICAL DEPRESSION:**

A tropical cyclone with maximum sustained winds of 38 mph or less.

## **TROPICAL STORM:**

A tropical cyclone with maximum sustained winds between 39 and 73 mph.

## **HURRICANE:**

An intense tropical cyclone with sustained winds of 74 mph or higher.

## **HURRICANE WATCH/WARNING:**

Hurricane force winds are possible/expected within the watch/warning area within 48/36 hours.

## **STORM SURGE WATCH:**

The possibility of life-threatening inundation from rising water moving inland from the shoreline (storm surge flooding) somewhere within the specified area, generally within 48 hours.

## **TROPICAL STORM WATCH/WARNING:**

Tropical Storm force winds are possible/expected in the watch/warning area generally within 48/36 hours.

## **STORM SURGE WARNING:**

The danger of life-threatening inundation from rising water moving inland from the shoreline (storm surge flooding) somewhere within the specified area, generally within 36 hours.

## **SAFFIR-SIMPSON HURRICANE WIND SCALE**

Category	Sustained Wind Speed (mph)	Damage
One	74 to 95	Dangerous, some damage
Two	96 to 110	Extremely dangerous, extensive damage
Three	111 to 129	Devastating damage

Your HOA dues includes having your front door maintained every 2 yrs. This means the door will be lightly sanded and a coat of spar varnish will be applied. A new weather strip on the bottom of the door is included, if needed. This will help to protect your door. However, if you postpone or do not request having your door serviced and it requires having your door refinished, the HOA will only cover a portion of the cost to refinish and replace the weather strip. The HOA will pay a maximum of \$180 (the cost to the HOA for regular maintenance plus a 2nd coat of varnish). You will be responsible for the remaining cost of the door service. It is your responsibility to call and have it serviced every 2 years. Please call Jerry Marshburn at 281-998-7709 or come by or contact the Clubhouse at 281-464-3150 before October and get on the schedule. The doors are serviced March through October.
