Ronnie Westfahl

The Awards Committee would like to announce
Q3 2023 Volunteer of the Quarter, Ronnie Westfahl.

The Volunteer of the Quarter is a program to publicly recognize the efforts of an individual for BV community service. Ronnie and Mary Westfahl moved to Bellavita in 2005, after learning about this wonderful retirement community on Scarsdale. He is a native Texan, born and raised in El Campo on a farm. When he wasn't at football practice, he learned to pick cotton and work the fields. This is where he learned a strong work ethic. He and Mary have been married for 51 yrs. Their family includes 2 sons, daughter in law and 3 precious grandchildren. Ronnie plays a very active role in all their lives. Ronnie finished his 40+ years career with the US Postal Service in 2018. This is when he began to start enjoying the amenities our neighborhood offers, as well as giving of his time as an active volunteer.

Ronnie is an active participant in the Men's Club. He assists with cooking, set up, take down and prepare for many BellaVita events including Belles and TEC. Also, he is a member of Flag Team 2 checking condition/installing/retrieving flags for the flag program that everyone looks forward to seeing each national holiday. Ronnie assists Joe Biard with the reoccurring door refinishing program (every 2yrs) that enhances the look of our homes. They contact the home owners, many of whom are not even aware that the door refinishing program is part of the services offered by Bellavita. As well as the door refinishing program, each year in April, Ronnie oversees the reoccurring house painting program. This is not an easy task. Even though the homes are painted every 9 yrs., seventy houses are painted each year to ensure our community stays in pristine condition. When contacting the home owners, Ronnie points out other items on the exterior of their homes that are in need of repair. By overseeing our homes up close, Ronnie makes sure our homes are kept in good condition. He is always willing to help others.

Ronnie finds time to enjoy life in between all his Bellavita important volunteer jobs. He has found time for a new love, playing pool at the Clubhouse with his buddies several times a week. He loves the friendly competition. As well as playing pool, he bowls with his church group and is active in his Bible Study class called Plugged In. Mary and he have a love of gardening that they share. A large part of their free time is spent in making their yard (front and back) one of the most beautiful in Bellavita.

Ronnie has done an incredible job in all his volunteer efforts. Thank you Ronnie Westfahl for all your hard work. Please congratulate Ronnie on his outstanding contributions and recognition as Volunteer of the Quarter.

Pearland Water Restrictions

Phase 1

PEARLAND, TEXAS – August 10 – In accordance with the City's Drought Contingency Plan, leadership has made the decision to implement Stage 1 drought restrictions for the City of Pearland. Key measurable conditions and their duration have prompted said decision, with Pearland Water continuing to monitor water usage across the City and the related impact on the City's overall water system.

Stage 1 drought restrictions are voluntary (but no less important to adhere to) restrictions which include the following:

- Residential and non-residential water customers are requested to voluntarily limit outdoor watering between 9:00 AM and 7:00 PM and instead implement watering overnight. Moreover, voluntarily limit irrigating to twice per week on the days that align with Pearland customers' trash service days.
- Excessive pooling and/or run-off from foundation watering is discouraged and is requested to not be allowed to run off property and form a stream of water in a street for 50 feet or greater; or pool in a street or parking lot to a depth greater than one-quarter of an inch.

Friendly Reminder

Please use caution in the roadways when driving golf carts on the main roads.
Please use extreme caution when grands or great-grands are driving the golf carts.

PLEASE DO NOT PARK ON THE CURBS!!!

BellaVita owns our streets within the community and when the curbs are damaged the association has to repair/replace. Please be cautious.

WOMAN'S PERFECT BREAKFAST

She's sitting at the table with her gourmet coffee.
Her son is on the cover of the Wheaties box.
Her daughter is on the cover of Business Week.
Her boyfriend is on the cover of Playgirl.
And her husband is on the back of the milk carton.

WOMEN'S REVENGE

'Cash, check or charge?' I asked, after folding items the woman wished to purchase.
As she fumbled for her wallet, I noticed a remote control for a television set in her purse.
'So, do you always carry your TV remote?' I asked.
'No,' she replied, 'but my husband refused to come shopping with me, and I figured this was the most evil thing I could do to him legally.'

UNDERSTANDING WOMEN (A MAN'S PERSPECTIVE)

I know I'm not going to understand women.
I'll never understand how you can take boiling hot wax, pour it onto your upper thigh, rip the hair out by the root, and still be afraid of a spider.

CIGARETTES AND TAMPONS

A man walks into a pharmacy and wanders up & down the aisles.
The sales girl notices him and asks him if she can help him.
He answers that he is looking for a box of tampons for his wife.
She directs him down the correct aisle.
A few minutes later, he deposits a huge bag of cotton balls and a ball of string on the counter.
She says, confused, 'Sir, I thought you were looking for some tampons for your wife?'
He answers, 'You see, it's like this, yesterday, I sent my wife to the store to get me a carton of cigarettes, and she came back with a tin of tobacco and some rolling papers; cause "it's soooo-ooo--oo-ooo much cheaper."
So, I figure if I have to roll my own so does she.
(I figure this guy is the one on the milk carton!)

WIFE VS. HUSBAND

A couple drove down a country road for several miles, not saying a word.
An earlier discussion had led to an argument and neither of them wanted to concede their position.
As they passed a barnyard of mules, goats, and pigs, the husband asked sarcastically, 'Relatives of yours?'
'Yep,' the wife replied, 'in-laws'

WORDS

A husband read an article to his wife about how many words women use a day.
30,000 to a man's 15,000.
The wife replied, 'The reason has to be because we have to repeat everything to men...'
The husband then turned to his wife and asked, 'What?'

CREATION

A man said to his wife one day, 'I don't know how you can be so stupid and so beautiful all at the same time.'
'The wife responded, 'Allow me to explain.
God made me beautiful so you would be attracted to me;
God made me stupid so I would be attracted to you! !

WHO DOES WHAT

A man and his wife were having an argument about who should brew the coffee each morning.
The wife said, 'You should do it because you get up first, and then we don't have to wait as long to get our coffee.'
The husband said, 'You are in charge of cooking around here and you should do it, because that is your job, and I can just wait for my coffee.'
Wife replies, 'No, you should do it, and besides, it is in the Bible that the man should do the coffee.'
Husband replies, 'I can't believe that, show me.'
So she fetched the Bible, and opened the New Testament and showed him at the top of several pages, that it indeed says 'HEBREWS'

THE SILENT TREATMENT

A man and his wife were having some problems at home and were giving each other the silent treatment.
Suddenly, the man realized that the next day, he would need his wife to wake him at 5:00 AM for an early morning business flight.
Not wanting to be the first to break the silence (and LOSE), he wrote on a piece of paper, 'Please wake me at 5:00 AM. He left it where he knew she would find it.
The next morning, the man woke up, only to discover it was 9:00 AM and he had missed his flight Furious, he was about to go and see why his wife hadn't wakened him, when he noticed a piece of paper by the bed.
The paper said, 'It is 5:00 AM. Wake up.'
Men are not equipped for these kinds of contests.
God may have created man before woman, but there is always a rough draft before the masterpiece.

Your HOA dues include having your front door maintained every 2 yrs. as needed. This means the door will be lightly sanded and a coat of spar varnish will be applied. A new weather strip on the bottom of the door is included, if needed. This will help to protect your door. However, if you postpone or do not request having your door serviced and it requires having your door refinished, the HOA will only cover a portion of the cost to refinish and replace the weather strip. The HOA will pay a maximum of \$210.00 (the cost to the HOA for regular maintenance plus a 2nd coat of varnish). You will be responsible for the remaining cost of the door service. Please note if there is a homeowner cost it will have gone up from previous years as well. It is your responsibility to call and have it serviced every 2 years. Please call or come by the Clubhouse at 281-464-3150 before October and get on the schedule. The doors are serviced March through October.
