The Wildflowers of Texas Are Blooming!

Here's your chance to bring these beautiful flowers into your home!

This special quilt will be raffled off to one lucky winner at the upcoming BellaVita Christmas Bazaar! The quilt was a team effort! It was pieced by Norma Barton, machine quilted by Marcia Brenner, and bound and labeled by Joan Cummings and Ronnie Stimson!

Raffle tickets will be available at the Mistletoe Market in October and at many of the upcoming BellaVita club activities, such as the Belles, TEC, and Veterans club meetings.

Q3 2022 Volunteer of the Quarter,

Larry Alvarez

The Awards Committee would like to announce **Q3 2022 Volunteer of the Quarter, Larry Alvarez**. The Volunteer of the Quarter is a program to publicly recognize the efforts of an individual for BV community service.

Larry and Carolyn moved to BellaVita in 2005. Larry is a native Houstonian. He and Carolyn raised their three sons in Pearland and are now the proud grandparents of 5 precious grandchildren. Larry is still working and employed at Siemens Energy.

While working full time, Larry has volunteered with the BellaVita TEC and Men's Club. His most notable volunteer efforts have been his first love of the development of the Harry Reed Audubon Trail in the BellaVita nature reserve. Before the reserve was dedicated to BellaVita, Larry was down there blazing the trail using only hand tools in 2008 after hurricane IKE. When someone would ask who was doing that work, his answer was "it must be Tom Sawyer". Also, Larry would reply when asked what was his interest in developing trails for everyone to enjoy? "I'm just an outdoorsy kind of guy." Since then, fallen trees have been removed and bridges built and maintained with Larry and a group of nature preserve lovers. After Larry's efforts, the group joined the HOA Grounds Committee. Then due to so much interest, the HOA Nature Reserve Committee was a spin off. Then Larry served as chairman for several years. Now he continues to serve on the Nature Reserve Committee.

If you are wondering who is behind the camera in the nature reserve, it is Larry. He is the producer, director, cameraman, etc. who shares all the pictures on the fb Grapevine as well as photos posted in the clubhouse for everyone to enjoy. All residents are amazed at the wildlife that lives right in our neighborhood. Larry has had 8 cameras stolen from the nature preserve but he persistently purchases another so that the community can continue to view our nature reserve critters/characters in action. He even has one camera in the duck box.

As well as Larry keeping an eye on our wildlife residents, he keeps an eye out for helping BV residents. Larry is generous with his time and efforts. He has a portable air conditioning unit that he lends out if someone is having A/C problems. He makes sure neighbors are taken care of during storms like Harvey or hot summer power outages. As a recipient of Larry's generosity, he helped my nephew after Harvey and when my dog got sprayed by a skunk!

Most recently, Larry came to the aid of BV residents and their family due to a sad life event. At a BV event, Larry bought \$200 of raffle tickets. It was a 50/50 split. The TEC announced that they were donating the club portion to the family. When Larry won the participant portion over \$500, Larry chose to donate his part to the family also. Larry and Carolyn are so caring and generous. When Larry is not working or maintaining the nature reserve, Larry's favorite thing to do is spending time with his family.

Larry has done an incredible job in all his volunteer efforts. Thank you Larry Alvarez for all your hard work. Please congratulate Larry on his outstanding contributions and recognition as Volunteer of the Quarter.

Sandra Bornstein, Awards Committee Chair

thank you!

Getting Old is Not Easy

Don't be worried about your smartphone or TV spying on you. Your vacuum cleaner has been collecting dirt on you for years.

If you can't think of a word, say, I forgot the English word for it. That way people will think you're bilingual instead of an idiot.

I'm at a place in my life where errands are starting to count as going out.

I'm getting tired of being part of a major historical event.

I don't always go the extra mile, but when I do, it's because I missed my exit.

My goal for 2022 was to lose 10 pounds. Only have 14 to go.

Ate salad for dinner. Mostly croutons and tomatoes. Really just one big round crouton covered with tomato sauce and cheese.

FINE, it was a pizza.... OK, I ate a pizza! Are you happy now?

I just did a week's worth of cardio after walking into a spider web.

I don't mean to brag, but I finished my 14-day diet food supply in 3 hours and 20 minutes.

A recent study has found women who carry a little extra weight live longer than men who mention it.

Kids today don't know how easy they have it. When I was young, I had to walk 9 feet through shag carpet to change the TV channel.

Senility has been a smooth transition for me.

Remember back when we were kids and every time it was below freezing outside they closed school? Yeah, me neither.

I may not be that funny or athletic or good looking or smart or talented. I forgot where I was going with this.

I love being 80, I learn something new every day and forget 5 other things.

A thief broke into my house last night. He started searching for money so I got up and searched with him.

I think I'll just put an "Out of Order" sticker on my forehead and call it a day.

Just remember, once you're over the hill, you begin to pick up speed.

Having plans sounds like a good idea until you have to put on clothes and leave the house.

It's weird being the same age as old people.

When I was a kid I wanted to be older: this is not what I expected.

Life is like a helicopter. I don't know how to operate a helicopter.

It's probably my age that tricks people into thinking I'm an adult.

Marriage Counselor: Your wife says you never buy her flowers. Is that true? Me: To be honest, I never knew she sold flowers.

Never sing in the shower! Singing leads to dancing, dancing leads to slipping, and slipping leads to paramedics seeing you naked.

So remember. . . . Don't sing!

If 2022 was a math word-problem: If you're going down a river at 2 MPH and your canoe loses a wheel, how much pancake mix would you need to re-shingle your roof?

I see people about my age mountain climbing; I feel good getting my leg through my underwear without losing my balance.

So if a cow doesn't produce milk, is it a milk dud or an udder failure?

I'm at that age where my mind still thinks I'm 29, my humor suggests I'm 12, while my body mostly keeps asking if I'm sure I'm not dead yet.

You don't realize how old you are until you sit on the floor and then try to get back up.

We all get heavier as we get older, because there's a lot more information in our heads. That's my story and I'm sticking to it.

In remembrance of 9/11

BELLAVITA LIBRARY USERS !

There have been so many lovely comments about how YOU appreciate YOUR library. **THANK YOU!**

If you have borrowed **hardback fiction books** you may have noticed what looks like an “out card” inside the front cover. Right?

That is **sort of** like an out card, but not so much.

Here’s what it really is:

A way for YOU to indicate that YOU have borrowed this book. That way, you don’t start reading a book and realize that you have already read it.

A way for the BOOK to indicate that it has been borrowed. That way its “shelf life” is extended because it has been indicated that folks have at least tried to enjoy it. Feel free to make comments about the book on the “out card”. Share your thoughts about the book with your BV neighbors!

Bottom line? Please write on the CARD rather than writing in the book.

Thanks y’all !
READ ON !

Your HOA dues include having your front door maintained every 2 yrs. This means the door will be lightly sanded and a coat of spar varnish will be applied. A new weather strip on the bottom of the door is included, if needed. This will help to protect your door. However, if you postpone or do not request having your door serviced and it requires having your door refinished, the HOA will only cover a portion of the cost to refinish and replace the weather strip. The HOA will pay a maximum of \$210.00 (the cost to the HOA for regular maintenance plus a 2nd coat of varnish). You will be responsible for the remaining cost of the door service. Please note if there is a homeowner cost it will have gone up from previous years as well. It is your responsibility to call and have it serviced every 2 years. Please call or come by the Clubhouse at 281-464-3150 before October and get on the schedule. The doors are serviced March through October.
