In memory of

ROBERT S. PATERNO, (Bob) age 83, died November 6th at his home in BellaVita Subdivision and was welcomed to heaven by his Lord and Savior. He was diagnosed with Sclara Derma in the late 90's but went into remission a year later. Only during this past year did it begin to take it's toll.

Bob was born October 7, 1940 in New York City and was the last of 5 children born to Annette and Charles Paterno. After getting his high school degree, he joined the US Air Force in 1958 and served in Korea as an Administrative Specialist until 1961. Several years later, he attended and then graduated from the University of Massachusetts. While attending the university, Bob became a Fred Astaire dance instructor to help pay for his schooling.

Bob became a successful insurance agent and eventually moved to Houston in 1976. He enjoyed playing golf, skiing ballroom dancing, flying (he obtained a private pilot's license), cruising and scuba diving but his main interest was playing tennis. He and his team won the coveted title of USPTA Adult Tennis League Texas State Championship in 2001 and 2002

In 1987, Bob met the love of his life Kelley who also became his wife and his grand ballroom partner. Together, they cruised the world (over 17 cruises) and visited many foreign ports such as Australia and many countries in Europe. Several were with their best friends George and Beverly Yeiter or with his brother Thom and his wife Fran.

During his tenure in the Houston area, Bob owned and operated four very successful postal centers which he eventually sold at a very profitable margin. In 2004, Kelley and he moved to BellaVita, a community for seniors and fell in love with all the folks here. They took part in many of the activities and even taught ballroom dancing at the club house. Bob was no sloucher: he always had to keep busy. Before long, he was doing various job around BellaVita including installing cabinets, flooring, fans and making minor repairs. He and his brother Thom are responsible for the construction of the library shelving complex.

Bob was blessed with 5 children, all boys: Robert, Michael, Thomas, William and lastly Anthony. All survived him except William who died as an infant. He is also survived by his brother Thomas, his sister Anne , his sister-in-law Frances, a multitude of grandchildren, nephews and cousins and especially his most coveted friends, George and Beverly Yeiter.

For the past 20 years Bob has been an active member of South Main Baptist Church in Pasadena.

AED

What is AED?

An AED, or automated external defibrillator, is used to help those experiencing sudden cardiac arrest. It's a sophisticated, yet **easy-to-use**, medical device that can analyze the heart's rhythm and, if necessary, deliver an electrical shock, or defibrillation, to help the heart re-establish an effective rhythm.

Why Learn to Use an AED

Sudden cardiac arrest is one of the leading causes of death in the United States. The only way to restore a regular heart rhythm during cardiac arrest is by using an AED. Although you should always request the assistance of trained medical professionals, the average response time for first responders is 8-12 minutes after 911 is called. For each minute that defibrillation is delayed, the chances of survival decrease by about 10%. Therefore, it is crucial to have access to an AED and know how to use it.

At BellaVita, we have 3 AEDs located in the ballroom, library/Annex, and fitness center. Knowing the location of these devices is crucial in case you need to help save a life!

Ronnie Westfahl

The Awards Committee would like to announce
Q3 2023 Volunteer of the Quarter, Ronnie Westfahl.

The Volunteer of the Quarter is a program to publicly recognize the efforts of an individual for BV community service. Ronnie and Mary Westfahl moved to Bellavita in 2005, after learning about this wonderful retirement community on Scarsdale. He is a native Texan, born and raised in El Campo on a farm. When he wasn't at football practice, he learned to pick cotton and work the fields. This is where he learned a strong work ethic. He and Mary have been married for 51 yrs. Their family includes 2 sons, a daughter in law and 3 precious grandchildren. Ronnie plays a very active role in all their lives. Ronnie finished his 40+ years career with the US Postal Service in 2018. This is when he began to start enjoying the amenities our neighborhood offers, as well as giving of his time as an active volunteer.

Ronnie is an active participant in the Men's Club. He assists with cooking, set up, take down and prepare for many BellaVita events including Belles and TEC. Also, he is a member of Flag Team 2 checking condition/installing/retrieving flags for the flag program that everyone looks forward to seeing each national holiday. Ronnie assists Joe Biard with the reoccurring door refinishing program (every 2yrs) that enhances the look of our homes. They contact the home owners, many of whom are not even aware that the door refinishing program is part of the services offered by Bellavita. As well as the door refinishing program, each year in April, Ronnie oversees the reoccurring house painting program. This is not an easy task. Even though the homes are painted every 9 yrs., seventy houses are painted each year to ensure our community stays in pristine condition. When contacting the home owners, Ronnie points out other items on the exterior of their homes that are in need of repair. By overseeing our homes up close, Ronnie makes sure our homes are kept in good condition. He is always willing to help others.

Ronnie finds time to enjoy life in between all his Bellavita important volunteer jobs. He has found time for a new love, playing pool at the Clubhouse with his buddies several times a week. He loves the friendly competition. As well as playing pool, he bowls with his church group and is active in his Bible Study class called Plugged In. Mary and he have a love of gardening that they share. A large part of their free time is spent in making their yard (front and back) one of the most beautiful in Bellavita.

Ronnie has done an incredible job in all his volunteer efforts. Thank you, Ronnie Westfahl, for all your hard work. Please congratulate Ronnie on his outstanding contributions and recognition as Volunteer of the Quarter!

Sandra Bornstein, Awards Committee Chair

Duplicate Bridge is a partnership game played on Tuesdays and Thursdays at 1:00 PM

Interested players may reserve a spot by calling Lyle Ganucheau in advance.

Your HOA dues include having your front door maintained every 2 yrs. as needed. This means the door will be lightly sanded and a coat of spar varnish will be applied. A new weather strip on the bottom of the door is included, if needed. This will help to protect your door. However, if you postpone or do not request having your door serviced and it requires having your door refinished, the HOA will only cover a portion of the cost to refinish and replace the weather strip. The HOA will pay a maximum of \$210.00 (the cost to the HOA for regular maintenance plus a 2nd coat of varnish). You will be responsible for the remaining cost of the door service. Please note if there is a homeowner cost, it will be more than previous years as well. It is your responsibility to call and have it serviced every 2 years.

Please come by the Clubhouse or call at 281-464-3150 to be put on the list for 2024. The doors are serviced March through September.
